OBJECTIVE

As an enthusiastic AI student, I am a quick learner and hardworking individual seeking opportunities to leverage my skills and interests in AI to make a positive impact within a company. With a solid foundation and a commitment to continuous learning, I aim to drive innovation and solve complex challenges in collaboration with a motivated team.

EDUCATION

Anurag University | CGPA:7.8
B.Tech in Artificial Intelligence | 2025

Anurag Group of Institutions | CGPA: 8.8
Diploma ECE | 2022

Shivappa High School |CGPA:9.2
SSC | 2019

PROJECTS

- ✓ **Agro Smart** - Developed a web application facilitating direct marketing between farmers and customers, enhancing accessibility and transparency in agricultural transactions.
- ✓ **Heart Rate Monitoring System** - Engineered a system using Arduino to accurately measure and display heart rate data in real-time, demonstrating proficiency in embedded systems and sensor integration.
- ✓ **CIFAR-10 Image Classification using TensorFlow** - Implemented a deep learning model in TensorFlow to classify images from the CIFAR-10 dataset, showcasing expertise in machine learning and neural networks.

EXPERIENCE

- I. AI-ML Virtual Internship | AICTE Edu Skills| January-March 2024|**
 - ✓ It's been an incredible journey diving deep into the world of Artificial Intelligence and Machine Learning. huge shoutout to EduSkills Foundation for providing such a comprehensive and enriching internship program.
- II. Data Science Internship | Rinex Technology| July-September 2023|**
 - ✓ We have demonstrated strong organizational and time management skills while managing multiple projects.Implemented real-time projects and predictions using ml & worked with datasets and had a great experience.
- III. Electronic Engineering Training| Lalitha Electronics Pvt.Ltd.| January-May 2022|**
 - ✓ Assisted with day-to-day operations, working efficiently and productively with all team members. worked with single-phase and 3-phase energy meters. worked well in a team in many work roles i.e testing, soldering, mounting and quality check.

ADDITIONAL INFORMATION

- Secured first place in the Painting Competition at Chandrayaan Utsav - Engineer's Day celebration, organized by the Departments of Mechanical Engineering and Electronics Communication Engineering in collaboration with AnuragSAT on September 15, 2023.
- Participated in the Elite Hack Challenge, a national-level hackathon organized by the Department of Computer Science and Engineering in collaboration with the CSI Hyderabad Chapter, held at Anurag University on February 24th - 25th, 2023.
- Certified for active participation and skill enhancement in the 'Effective Public Speaking' course by IMPACT Foundation, completing all procedures and practices to qualify as a 'Qualified Public Speaker' (June 26, 2021).

ACKNOWLEDGEMENT

I Yerrabothu Abhinandana, hereby declare that all the above furnished details are true to the best of my knowledge and belief.
